VIBRANT STUDENT LIFE

LIU Brooklyn was established in 1926 with a mission “to open the doors of the city and the world.”

LIU Promise

The LIU Promise is our commitment to ensuring you have the right tools, guidance and support to achieve your goals. When you apply to LIU, you will be assigned an LIU Promise Success Coach who will be there for you through to graduation.

60+ clubs and organizations

You'll find active academic, social, cultural, religious, media, and honor groups meeting throughout the campus.

Work opportunities

There are co-op, internship, and fieldwork opportunities for students. Additionally, LIU's experiential programs include student-run businesses, high-tech incubators, and academic programs focused on innovation and entrepreneurialism.

The New York Times recognized LIU Brooklyn as one of the most diverse campuses in the United States.

LOCATION

Welcome to your new home away from home! LIU Brooklyn is right in the heart of it all, located just steps away from the Barclays Center, top arts venues like the Brooklyn Academy of Music, hip restaurants and boutiques, and one of New York’s premier dessert destinations, Junior’s.

As a residential student you will be immersed in the vibrant downtown Brooklyn area, just a short subway ride from the vast cultural offerings and professional opportunities of Manhattan.

TRANSPORT LINKS

Situated at the intersection of Flatbush and DeKalb Avenues, the campus is served by several New York City subway lines in front of campus, and is three blocks from Atlantic Terminal, a transportation hub with additional train options including the Long Island Rail Road.

MANHATTAN

The world-famous commerce, finance, media, art, fashion, research and entertainment hub; home to Times Square (“The Crossroads of the World”), Broadway, Central Park, the New York Stock Exchange, Rockefeller Center, and SoHo.

10 minutes from Manhattan and accessible by 11 subway lines

ALL ABOUT BROOKLYN

Home to many celebrities and artists, the most populous and culturally diverse borough of New York City hosts the LIU Brooklyn campus in the trendy neighborhood of Fort Greene.

TECH TRIANGLE

LIU Brooklyn is one of 12 universities in the greater Downtown Brooklyn-Dumbo-Navy Yard district, an area with a combined population of more than 57,000 students. Business and academia live side-by-side here, as 523 innovation firms with a \$3.1 billion economic impact are also based in the neighborhood (Source: Urbanomics). Since 2001, billions of dollars have been invested in the development of the Tech Triangle.

BARCLAYS CENTER

Just three blocks southeast near Atlantic Terminal is the \$4.9 billion multi-purpose indoor arena that primarily hosts sports games and concerts.

PROSPECT PARK

Designed by the creators of Central Park in Manhattan, this public space features a 90-acre meadow, a waterfall garden, Brooklyn Bandshell offering free outdoor concerts in the summer, hiking trails, sports facilities, and the Prospect Park Zoo. The Brooklyn Museum of Art and the Brooklyn Botanical Gardens are located right next to the park.

CONEY ISLAND BEACH

This NYC beach is popular for its boardwalk, Nathan’s Famous Hot Dogs, the amusement park, and its sandy beaches that stretch for almost 5km.

If the borough of Brooklyn were its own city, it would be the 4th largest city in the USA.

CAMPUS FEATURES

- 3 Residence Halls
- 5 On-campus Dining Locations
- Laboratories
- Kumbl Theater for the Performing Arts
- Wellness Center
- Recreation and Athletic Center (swimming pool, rooftop track, top-of-the-line workout facilities)

DEGREE PROGRAM OPTIONS

Over 75 undergraduate and graduate degree programs and concentrations.

Here, you'll never be just a number. You'll be a valued part of a close-knit community, where your professors know you by name, and advisers are always available to meet with you one-on-one.

Get a head start with our 12:1 student-to-faculty ratio

LAUNCH YOUR CAREER

At LIU Brooklyn, you'll gain experience in your field before you even graduate. Co-op, internship, and fieldwork opportunities range from placements at top companies and government agencies, to the chance to conduct research. These experiences will help you enhance your résumé and build your professional network.

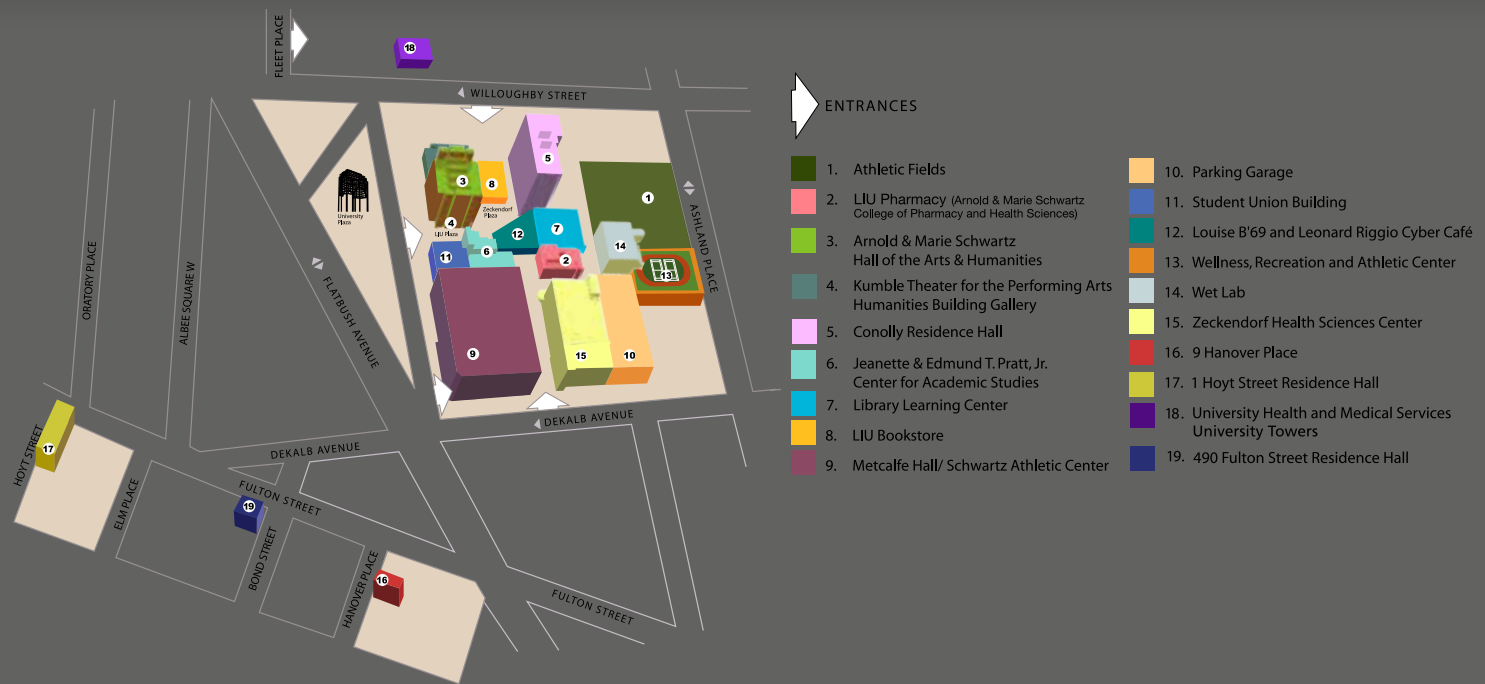

The campus also provides an array of career planning resources, including help with writing résumés and cover letters, skills assessments, mock interviews, networking nights, career fairs, job referral services, and an online career management system.

High-tech resources are available, including a SIMS lab that enables nursing students to practice real-life clinical situations, and a MoCap Lab that fosters research in biomechanics.
