ENROLL IN THE UNIVERSITY OF **COLORADO DENVER**

and become part of a lively academic environment that has welcomed international students from 130 countries. As Colorado's only urban public research university, the university holds more than 40 specialized accreditations and offers unique options for customizing degrees. You can choose from more than 150 degree choices such as architecture, business, engineering, pre-health, pharmacy, digital design, or you can build your own degree. Your educational experience will be supported through outstanding student services.

You can improve your English proficiency by studying at the ESL Academy, which not only develops your academic language skills, it also supports your success as a University of Colorado Denver student. Successful completion satisfies the general English language proficiency requirement for admission.

Study in Denver, Colorado, a thriving city centrally located in the United States. Home to one of the nation's best international airports and one of its strongest city economies, Denver is a great place to gain an exceptional education.

Academic Excellence & Ideal Location

Your success is our top priority! Conditional admission is possible for all undergraduate majors, except Nursing. International freshmen scholarships for eligible students offer savings of up to 50% off tuition. Nine graduate programs are ranked in the TOP 100 in the U.S., and there are 55 STEM-OPT-eligible degree programs. Your studies will be in the heart of downtown Denver, a city that is ranked #1 for Business & Careers.

International Student Success

At the University of Colorado Denver, the Office of International Affairs is designed to streamline processes, policies, and procedures that result in an outstanding educational experience for every international student.
