## IIAD Entrance Exams

- **IIAD Design Aptitude Test (iDAT):** The IIAD Design Aptitude Test (iDAT) is a written test designed to assess a candidate's creative and visual ability, cultural awareness and logical thinking. The exam paper is a combination of visual tasks, writing tasks, one-word answers and multiple-choice questions.
  - **IIAD Management Aptitude Test (iMAT):** The IIAD Management Aptitude Test (iMAT) is a written test designed to assess an applicant's language, logical reasoning and creative thinking. The exam paper is a combination of multiple-choice questions and writing tasks.
  - **Personal Interview:** Personal Interview is an opportunity for applicants to have a face-to-face interaction with IIAD, so that their suitability can be assessed. With this understanding, IIAD can guide the applicant towards how the program can meet their aspirations and interests.
