WELCOME

At NorQuest College, we understand the world is changing and so is learning. We're writing a new chapter as a contemporary academic institution that will have a lasting impact on Alberta and its people, while creating opportunities for people from all walks of life.

We are leaders in demonstrating how diversity and inclusion make our communities not only more tolerant and resilient, but richer. We deliver education that transforms lives and strengthens communities in innovative, inclusive, and responsive ways. We maximize opportunities that others don't see and believe a college has to be different to make a difference.

OUR COMMITMENT TO YOU.

A dynamic education that prepares you for your career or next stage of learning. Our workforce-relevant programs will equip you with the resources, knowledge, and skills that are highly desired and valued by employers.

Exceptional faculty who are current and engaged in their disciplines, who challenge traditional thinking and methods of training and education, and, who bring together theory and practice in innovative and authentic ways.

An inclusive learning experience that champions diversity. Your uniqueness is what enriches our college, and you will develop skills in cultural understanding that will ensure your success in the global community.

Accessible and flexible options to welcome you at any stage of learning. We work to anticipate and respond to your needs and deliver programs that help meet your career goals. We'll meet you where you're at—if you're in, we're in.

YOUR STUDENT JOURNEY

No matter what stage of learning you're at, as a NorQuest College student, you will have a unique educational experience in a vibrant and supportive environment that responds to your needs.

Ask anyone at NorQuest—whether a student, instructor, or any member of our college community who supports student success—and they will tell you there is something special about our college. It's difficult to describe, but you'll recognize and understand the feeling once you're here.

Although your academic journey started long before opening this viewbook, this is a good place to step forward.

EXPLORE

Get started with research. Explore programs. Ask lots of questions. Speak with students (past and present), instructors, and our amazing student recruiters who are an invaluable source of information and can often be found at education fairs, community events, or around campus! They can tell you everything you need to know about every program, including admission requirements, important dates, how to get started, and so much more.

> [Let us introduce ourselves](#)
norquest.ca/prospects

APPLY

Ready to make your move? Take a bold step forward in your education and apply. Our team in the Office of the Registrar will help you discover NorQuest, guide you through the admissions process, and stay in touch as you collect and submit admission requirements. They will assist you in your journey to become a student.

> [Find the admissions process and get ready for the start of term](#)
norquest.ca/admissions

STAY ON TRACK

Congrats! You are now a student, and our dedicated student navigators will ensure you have everything you need to be successful. From academic advising and funding your education to connecting you with exceptional college services, they're here to help you stay on track and achieve your educational and career goals.

- > For news, information, and key dates around campus
norquest.ca/students

SUCCEED

Right now, it might be hard to imagine graduation or what comes next, but even after you've finished your studies with us, we want to stay connected and help you get started in your new career. Student Career and Employment Services does just that, and our Alumni Association offers great benefits and services.

- > We hope you keep in touch

STUDENT LIFE AT NORQUEST

College life isn't just about classes and studying. Get involved with the campus community, meet new people, take part in events—your overall college experience will be that much richer for it.

NorQuest is not a one-size-fits-all kind of college, and we take pride in offering a unique student experience for all of our learners. We have grown and established new and innovative learning and study spaces, along with spots to gather, socialize, and refresh. Through these and a range of student services, we're here to help you achieve your academic goals and ensure you pause from time to time to enjoy the journey.

The **Learner Centre** is home to a range of supports including a collective of 18 libraries and resources (available in person and online) and Computer Commons, which provides computer and printer access six days a week.

Tutorial and Academic Coaching Services offers professional tutorial support tailored to your specific academic goals, and the **Writing Centre** team will help you develop your skills and become a more confident writer.

NorQuest College is inclusive and accessible for all students. From sign language interpreters to assistive technology, we offer comprehensive supports for students with disabilities.

Personal well-being is important to academic success, and the **Centre for Growth and Harmony** offers holistic, student-centred care, resources, and workshops to support healthy living.

NorQuest's **Indigenous student centre** is a multipurpose facility that helps First Nations, Métis, and Inuit students stay connected to their culture. The centre and its extensive network of supports and services include an Indigenous student advisor and counsellor, Elder supports, Indigenous awards and funding, and a ceremonial space that allows students to engage in prayer, smudging, and ceremonies.

From textbooks to t-shirts—find everything you need to help with your studies and support your college pride in NorQuest's **Bookstore**.

Stay nourished and sharp with a delicious assortment of food choices, including Tim Hortons, Pizza 73, and Subway in the **food court**. Whether you're connecting with classmates, recharging for your next class, or just enjoying the view, bask in the warm sunlight and comfort of the adjoining cafeteria.

The **1000 Women Child Care Centre** offers space for children 12 months to five years, and is accessible to NorQuest students, employees, and the general community. Its play-based program encourages creativity and learning through hands-on discovery, and the facility features a natural outdoor playground that connects children with a sensory-rich environment.

From advising and cultural transition support to student activities and events, **NorQuest International** serves the unique needs of international students.

NorQuest's **innovation studio** brings together a range of expertise and supports research and innovation with industry and community.

ATB NorQuest offers full-service banking. Operated by college staff, profits are used to benefit our students.

The **Students' Association of NorQuest College (SANQC)** is not only your student body representative, but your go-to for many exciting opportunities and events around campus. Get involved with student clubs and volunteer. Be a leader on student council or represent the college as a student ambassador. Take in the many activities celebrating multiculturalism, international holidays, and customs happening throughout the year.

WAYS TO LEARN

Time is your most valuable commodity, and at NorQuest, we understand you have a lot going on in your life. We'll help you balance personal and professional commitments and offer flexible learning options to fit your schedule.

WAYS TO STUDY

FULL-TIME: Registered in at least 60% of a program's full course load by term.

PART-TIME: Registered in less than 60% of a program's full course load by term.

DELIVERY METHODS

IN PERSON: Courses are delivered in a classroom setting with face-to-face instruction and regularly scheduled class meetings. These can be delivered days, evenings, and/or weekends.

ONLINE: Offered in an online setting. In-person meetings may be required for some programs to complete laboratory components.

Online courses are offered two ways:

Real-time: Students follow a specific real-time class schedule and must be available to log in to online class meetings or video conferencing. Classes are often synced with an in-person delivery, which may be delivered during day, evening, or weekend hours depending on the program or course.

Anytime: Students are not required to participate in regularly scheduled class meetings, although there are specific course start, end, and due dates. Online learning is at your own pace.

HYBRID: Uses a combination of in-person and online delivery. Online portions may include real-time and/or anytime components, depending on the program and course.

DUAL CREDIT

Eager to get started on your post-secondary studies? You don't have to wait to finish high school! NorQuest College offers dual credit experiences so you can earn high school and college credits at the same time.

> If you are interested in dual credit programs, contact your high school administrator or learn more at norquest.ca/dualcredit

OPEN STUDIES

Keep your options open while earning credits. Whether you're looking to get a head start on your program or take classes for general interest or professional development, NorQuest's Open Studies options are a good fit.

> Learn more at norquest.ca/openstudies

WORK-INTEGRATED LEARNING

Connecting students' academic experiences at NorQuest with the real world.

Through dedicated work experience opportunities, NorQuest College helps ensure students are career ready upon graduation. Work-integrated learning (WIL) connects students with employers in their chosen field for hands-on experience outside the classroom. Over 30 NorQuest programs offer WIL and can include everything from applied research and co-ops to field placements and volunteering.

> To learn more, visit norquest.ca/wil

“I felt that for the past month working with my placement team, it has been very educational/experiential but also very fun and enjoyable. I definitely feel that the things I encountered and learned through WIL placement will be a huge advantage towards searching for employment.”

NEW

JUSTICE

norquest.ca/justice

CREDENTIAL: Diploma

If you're passionate about working in the community and supporting people through law and policy, prepare for an exciting and rewarding career in the field of justice.

This new program will introduce you to Alberta laws and policies and the complex socio-economic factors that influence crime. You will understand contemporary issues affecting the Canadian and provincial justice systems, and prepare to work with other professionals to increase community safety.

You will select an elective in one of four areas—Aboriginal Justice, Youth Offender, Law Enforcement, or Corrections—and be equipped to explore a number of career options.

CAREER POTENTIAL

Graduates can pursue careers as a police officer, probation officer, research assistant, case worker, educator, Indigenous peace officer, court clerk, criminal analyst, sheriff, youth worker, corrections officer, victim services advocate, park warden, fish and wildlife peace officer, border security officer, sentence administrator, and more.

Length: two years (including an optional 150-hour work experience)

Delivery: full-time

Location: Edmonton, online

Term start: fall

Tuition & fees: \$12,734.50

International tuition & fees: \$29,492.50

- Conditional or provisional admission²

ELP REQUIREMENTS³

- Band F – see page 49 for details

SETTLEMENT STUDIES

norquest.ca/ss

CREDENTIAL: Diploma

Begin a rewarding career that supports newcomers to settle and integrate into their new communities.

The first of its kind in western Canada, this new two-year diploma program explores what distinguishes settlement work from other disciplines in the human services sector. You will learn models and approaches to effectively work with migrant diaspora communities, and strategies to help bridge cultural divides between newcomer communities and Canadian society.

Graduates from NorQuest's Community Support Worker program are eligible to transfer directly into year two of this program.

CAREER POTENTIAL

Graduates will find employment in the K-12 school system, non-profit and settlement sectors, and within various departments and levels of government.

Length: two years (including 400 hours of practicums)

Delivery: full-time

Location: Edmonton

Term start: fall

Tuition & fees: \$12,909.50

- Physical Activity Readiness Questionnaire (PAR-Q)
- Additional practicum requirements¹

ELP REQUIREMENTS²

- Band E – see page 49 for details

FIRST MEDICAL RESPONDER

norquest.ca/fmr

CREDENTIAL: Completion certificate

The First Medical Responder (FMR) course, recognized by Alberta Health Services for all first medical responders, provides the theoretical and practical framework of training and replaces the current Emergency Medical Responder certification.

FMR is taught using the Canadian Red Cross curriculum, is approved by Workplace Health and Safety for Advanced First Aid, and is recognized by Alberta Health Services and Alberta's revised Occupational Health and Safety Codes for first medical responders based on the enhanced skill sets learned.

In most cases, FMR is the minimum skills required for a number of first medical responders including firefighters, police, medical responders, and industrial companies.

Topics include: emergency preparation; establishing priorities of care; medical emergency response; traumatic emergency response; obstetrics; triage; safe lifting-stretcher use; special populations; enhanced skills-blood pressure; and blood glucose monitoring.

Length: 80 hours in class, with an additional 25 hours of pre-study

Delivery: part-time

Location: Edmonton

Term start: fall

Tuition & fees: \$1,395.00 plus GST;
\$180.00 for additional materials

ELP REQUIREMENTS³

- Band E – see page 49 for details

FLIGHT ATTENDANT

norquest.ca/flight

CREDENTIAL: Completion certificate

Prepare for an exciting career in aviation! From medical incidents to inflight emergencies and procedures, our experienced instructors will give you the tools and knowledge you need to start your career as a flight attendant.

CAREER POTENTIAL

Upon successful completion you can work for a major airline or in the corporate or private sectors.

Length: 36 hours

Delivery: full-time, part-time

Location: Edmonton

Term start: fall, winter, spring

Tuition & fees: \$1,900.00 plus GST

HOSPITALITY MANAGEMENT

norquest.ca/hospitality

CREDENTIAL: Completion certificate

Our Hospitality Management courses have been designed with content from the American Hotel and Lodging Educational Institute, which is internationally recognized, allowing students to start a career in the industry or develop existing skills.

Explore courses in these areas:

- Supervision in the hospitality industry
- Planning and control for food and beverage operations
- Revenue management
- Managing service in food and beverage operations
- Managing front office operations
- Managing housekeeping operations
- Security and loss prevention management
- Hospitality sales and marketing
- Convention management and service

CAREER POTENTIAL

Upon successful completion you can work in various positions in the lodging and food and beverage industries.

Length: 10 weeks per course

Delivery: part-time

Location: online

Term start: open enrolment

Tuition & fees: \$400.00 plus GST

INDUSTRIAL HEMP

norquest.ca/hemp

CREDENTIAL: Completion certificate

Created with input from experienced hemp farmers and industry experts, the Hemp Farming course is designed for conventional and organic farmers that are thinking about farming hemp for the first time or farmers that are thinking about growing a small test plot of hemp.

Farmers who currently grow industrial hemp will also benefit from this course by gaining a deeper understanding of how to harvest hemp for different business end uses.

Through interviews with industry experts and engaging product case studies, the Hemp Processing and Products course provides information on how to process fibre, seeds, and cannabinoids. This course will explore all the different options for products that come from industrial hemp such as textiles, plastics, cosmetics, food, and building products.

CAREER POTENTIAL

Upon successful completion you can work in various growing industries from farming to production.

Length: six hours

Delivery: part-time

Location: online

Term start: open enrolment

Tuition & fees: \$125.00 plus GST

TEACHING ENGLISH AS A SECOND LANGUAGE

norquest.ca/tesl

CREDENTIAL: Completion certificate

This certificate program provides you with key principles of second language teaching and the skills, strategies, and tools to help you succeed in teaching English language learners.

Learn new theoretical and practical trends in the teaching English as a second language field through online delivery, and participate in a practicum to gain classroom application experience and solidify your teaching skills.

Courses:

- Theory of Teaching and Learning
- Linguistics
- Communication Skills
- Teaching in Specific Contexts
- Reflecting on Teaching and Learning
- Practicum

Length: 120 hours (including a 20-hour practicum)

Delivery: part-time

Location: online with an in-class practicum

Term start: fall

Tuition & fees: \$2,197.00 plus GST

HOW TO APPLY

You've made the decision, and you're bound for NorQuest College.
The application and admission process will help take you from
your decision to your first day of class.

CREDIT PROGRAMS

For credit programs apply online.

There is a non-refundable, non-transferable application fee: \$95 for Canadian/permanent residents; \$150 for international applicants.

BEFORE YOU APPLY

- ❶ Read the General Admission Guide found at norquest.ca/admissionguide
- ❷ Be prepared to pay the application fee.
- ❸ Visit norquest.ca/programs to review the specific criteria for your program of choice, ensure you meet program requirements, and select your preferred method of delivery.

ONLINE

ApplyAlberta is the province-wide online application system. If you apply online, you will not need to pay for and provide official Alberta Education transcripts—it is the easiest way to apply!

- ❶ Visit applyalberta.ca
- ❷ Follow the instructions to create an account and enter your information.
- ❸ Select NorQuest College as your institution of choice and select the program to which you wish to apply.
- ❹ Pay your application fee with a credit card and submit your application.

IN-PERSON APPLICATIONS WILL BE TAKEN UNDER SPECIAL CIRCUMSTANCES

- ❶ Complete the NorQuest College Application for Admission form at norquest.ca/apply
- ❷ Bring your form and application fee in person to:

NorQuest College
Office of the Registrar
10215 108 Street NW
Edmonton, AB T5J 1L6

or to any regional campus
(see back cover for all locations)

AFTER YOU APPLY

You will receive confirmation and instructions to access MyQuest (NorQuest's online student self-service centre) and your MyMail (student email) account. Check regularly for messages.

CONTINUING EDUCATION PROGRAMS AND COURSES

You do not need to apply for admission for most continuing education programs and courses.

- ① Review specific course information, including prerequisites, to ensure each course is right for you.
- ② Register and pay online for most continuing education programs and courses. Some courses require you to complete the Non-Credit Registration form found at norquest.ca/apply and submit it to the Office of the Registrar.

Full payment of fees is required upon registration to:

NorQuest College
Office of the Registrar
10215 108 Street NW
Edmonton, AB T5J 1L6

OPEN STUDIES

- ① New and former Open Studies students must submit an Application for Admission and pay the one-time application fee (\$95). Apply online at applyalberta.ca and choose Open Studies as your program.
- ② Once your application has been processed, an email will be sent to your MyMail account with instructions for registering in your courses. Full payment of tuition and fees is due upon registration.
- ③ For in-person classes, register a minimum of five business days before the start date. For online classes, regular online registration rules apply.

Note: Registration opens on the first of the month prior to the first day of the term.

FUNDING YOUR EDUCATION

Your education is an investment in your future and we're here to help you figure out your finances. Whether you have existing funds or want to access other financial aid resources, we can help you sort through the options.

GOVERNMENT STUDENT LOANS

Available to students in full-time and part-time post-secondary programs. When you apply for loans, you will automatically be considered for government grants.

SCHOLARSHIPS, BURSARIES, AND AWARDS

Available to all students, bursaries and awards may be program-specific or general for all programs. Criteria may be based on financial need, academic achievement, leadership, community service, and contribution to campus life. Visit norquest.ca/awards for application forms and more information.

GRANT FUNDING

Alberta Works Learner Income Support is available to students who meet specific eligibility criteria and is designed to assist people with financial need in completing their training goals.

Programs eligible for this funding include Academic Upgrading, Apprenticeship Prep, Day Home Provider, ESL Intensive, and Transitions to Employment. Full-time grant funding also includes living expenses.

INDIGENOUS STUDENT FUNDING

Qualified Indigenous students may be eligible for additional grants or loans. Other sources of funding may be available through your band education counsellor or Indigenous agencies. Indigenous student funding can include grants, loans, Bill C-31, and Métis funding.

EMERGENCY FUNDING

We realize that emergencies can happen to anyone in any situation. Depending on your circumstances, our scholarships and bursaries advisor may be able to help you with a short-term loan. The college provides loans to registered students on an emergency basis once per term if needed.

EDUCATION AND TRAINING BENEFIT FOR VETERANS

This new benefit, supported by the Government of Canada, provides Veterans with at least six years of service with funding up to \$40,000 and Veterans with at least 12 years of service with funding up to \$80,000 to cover tuition, course materials, and some incidentals and living expenses.

> Don't delay—apply early for funding. Get started today at norquest.ca/funding

Open House

Saturday, October 26, 2019

Info Night

Thursday, February 27, 2020

Student for a Day

Find out what it's really like to be a NorQuest student.
Meet instructors, tour the campus, and meet or shadow
a current student.

Campus Tours

General campus tours are a great way to see the campus
and decide if NorQuest is a good fit for you.

One-on-one Advising Sessions

Meet with a student recruiter for help with all of your
program and application questions.

Contact Student Recruitment for more information:

Academic Schedule

2020

Winter

Accepting applications	Feb 1, 2019
Term begins/tuition due	Jan 6, 2020
Term ends	Apr 24, 2020

Spring

Accepting applications	Jun 1, 2019
Term begins/tuition due	May 4, 2020
Term ends	Aug 21, 2020

Fall

Accepting applications	Oct 1, 2019
Term begins/tuition due	Aug 31, 2020
Term ends	Dec 16, 2020

2021

Winter

Accepting applications	Feb 1, 2020
Term begins/tuition due	Jan 4, 2021
Term ends	Apr 23, 2021

Spring

Accepting applications	Jun 1, 2020
Term begins/tuition due	May 3, 2021
Term ends	Aug 20, 2021

Note: Dates may be subject to change. When the first of the month falls on a weekend or holiday, applications will open by noon of the next business day.

> Visit norquest.ca/academicschedule for more details

FOOTNOTES

Note: Tuition and fees are approximate and based on those listed for 2019–2020. Tuition and fees for 2020–2021 will be finalized in spring 2020. Visit norquest.ca/tuition for details.

¹ ADDITIONAL PRACTICUM REQUIREMENTS

May include Police Information Check, WHMIS, CPR certification, current immunizations, coursework, co-op work permit (for international students), or others. See website for details.

² CONDITIONAL OR PROVISIONAL ADMISSION

Conditional or provisional admission may be granted to applicants who are missing admission requirements after satisfying other conditions. See website for details.

³ ELP REQUIREMENTS

If English is not your first language, proof of English language proficiency (ELP) must be provided prior to admission. See norquest.ca/elp for details and a list of ways to meet ELP requirements.

If you are meeting ELP by taking a test, your results must have been obtained within two years of the start of your program.
