

UNIVERSITY OF SASKATCHEWAN

BE WHAT THE WORLD NEEDS

UNDERGRADUATE STUDIES | 2021–2022

Be what the **WORLD NEEDS**

Are you interested in tackling global challenges, finding innovative solutions and creating real-world benefits for people at home, across the country and around the world?

The University of Saskatchewan (USask) supports students like you to achieve your goals, leading to success both in and

outside of the classroom, during your time on campus and into the future after you graduate.

Become part of our history of success in addressing the world's challenges at a university where you can be what the world needs.

Find your place **ON CAMPUS**

USask's main campus in Saskatoon is well known for its architecture and beauty. But it is our diverse students, staff and faculty who create a welcoming atmosphere where different perspectives are valued, and a culture of learning, growth and deeper understanding extends beyond the classroom.

In addition to having the opportunity to work and study at a U15 university, with facilities that provide the tools for a high level of interaction and research, you will enjoy a high level of support typical of a smaller university.

Whether you take part in an internship or co-op program, participate in a field class, or enrol in a study abroad or exchange program, the opportunities to enhance your education during your time at USask are plentiful, and can be customized to your goals and aspirations.

As you explore this place, you will discover spaces and make connections that define your university experience. From the moment you receive your admission letter, you will share in the sense of pride and community felt by our students, staff, faculty and alumni.

IMAGE: TOURISM SASKATOON

Explore SASKATOON

Saskatoon has grown significantly over the past decade, and is now home to about 270,000 people—the largest city in Saskatchewan. As a result of this growth, Saskatoon offers many of the amenities of a large urban centre, along with the friendliness and accessibility of a smaller city.

Living in and exploring Saskatoon is affordable compared to other major cities in Canada. Housing costs in Saskatoon remain comparatively low, as well as

transportation costs. As a student, you can take advantage of the reasonably priced unlimited transit pass included in your student fees and get to know the city for yourself.

With its vibrant mix of many cultures, Saskatoon is a place of opportunity, diversity and innovation. As a student here and after you graduate, you will come to appreciate why so many have chosen to call this place home.

Feel at home in **RESIDENCE**

Residences at the University of Saskatchewan provide an unparalleled living environment for students.

You will be part of a diverse and global community where you can develop life-long

friendships and create lasting memories. You will also be living in a safe, study-oriented setting where you can access continuous academic and personal support from your peers, Residence staff, faculty-in-residence and others.

Take a
video tour
livewithus.usask.ca

Tutors

Each week, graduate students provide free tutoring for students in Residence for major undergraduate subjects such as math, writing, chemistry, statistics and physics.

Culinary Services

Students in Residence enjoy access to USask Culinary Services locations included in residence fees, offering nutritious and delicious meal options to students living away from home for the first time or looking for convenient meals between classes.

Voyageur Place residents receive an unlimited dining meal plan through the Marquis Culinary Centre, while College Quarter residents receive a Residence Cash Card that can be used at various USask Culinary Services food outlets.

Students living off-campus are also welcome at the Marquis Culinary Centre. Stop by for a one-time cash purchase, or purchase a meal plan online.

VOYAGEUR PLACE

Located at the heart of the University of Saskatchewan campus, Voyageur Place is made up of four halls which are all connected by tunnels and skywalks to other buildings on campus, a popular feature during the winter.

Accommodation in Voyageur Place includes utilities, internet, laundry and the Unlimited Meal Plan.

Voyageur Place buildings offer traditional, dormitory-style, single and double units in a variety of different layouts. The floorplans below are examples of some of these units, but do not represent all specific room layouts.

COLLEGE QUARTER

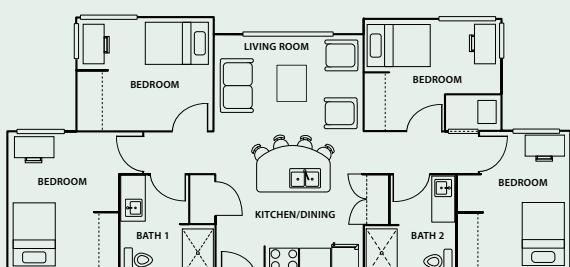

At College Quarter, students live together in a lively, multi-cultural environment in fully furnished two, three and four bedroom units. You are only a short walk from academic and student services buildings on campus and have the added benefit of being part of an engaged community in Saskatoon with a friendly, inclusive atmosphere.

College Quarter suites are bright and modern, as are the lounges and study spaces, which offer beautiful views of the surrounding area.

COLLEGE QUARTER – 3 BEDROOM

COLLEGE QUARTER – 4 BEDROOM

"My advice to other students, especially first years, is to choose to live in Residence because it helps you to adapt to school much easier due to the various activities and programs that are offered."

ELIZABETH ADEGBITE, BACHELOR OF SCIENCE
IN HEALTH STUDIES STUDENT

HOMETOWN: NIGERIA, AFRICA
AND TORONTO, CANADA

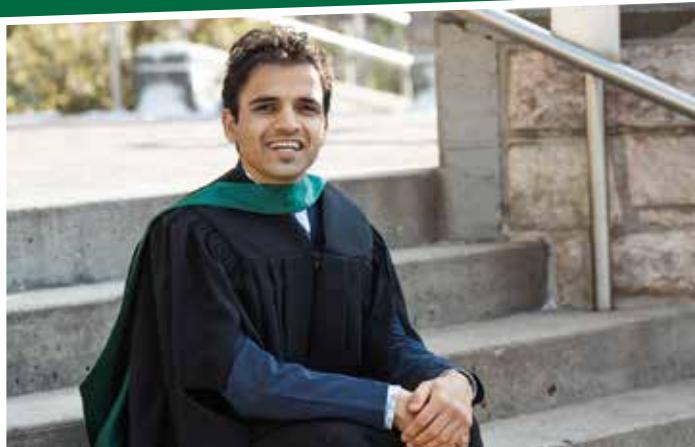

Applications

Residence applications are accepted on a first-come, first-served basis regardless of students' admission status. We recommend that students apply for Residence as soon as possible after they apply for admission. You do not have to wait to receive an offer of admission before you apply for Residence. See page 17 for Residence fees.

To protect the health and safety of residents and the campus community, accommodations in residence are limited, and amenities and services are continually being adjusted in accordance with health authority guidelines. Find the latest information about Residence at livewithus.usask.ca.

Steps to apply

1

FIND A PROGRAM

The University of Saskatchewan (USask) offers degree, diploma and certificate programs in more than 150 areas of study across our diverse colleges and schools.

Explore at **ADMISSIONS.USASK.CA**.

2

LEARN THE REQUIREMENTS AND DEADLINES

Admission requirements and deadlines depend on your situation.

- Which program are you interested in?
- When do you want to start classes?
- Is this your first time going to university?

Do your research and apply early to take advantage of benefits such as early admission and access to scholarships.

3

APPLY FOR ADMISSION

Ready to apply? Create an account at **APPLY.USASK.CA** and fill out the online application for admission.

If you have any questions about the application, contact us at **ADMISSIONS@USASK.CA**. We are happy to help.

4

CHECK YOUR APPLICATION STATUS

- Log in to monitor your application status at **APPLY.USASK.CA**.
- Check when supplemental items have been received or whether additional items are needed, and see when a decision has been made on your application.

5

SUBMIT YOUR SUPPLEMENTAL ITEMS

Make sure to submit supplemental items as soon as possible after you apply for admission. Be aware of document deadlines to ensure your transcripts and other items are received on time.

IF YOU ARE CURRENTLY IN HIGH SCHOOL:

SASKATCHEWAN STUDENTS

- Request official transcripts to be sent directly to USask by the Ministry of Education:
 - as soon as possible,
 - after January exams 2021 and
 - after June exams 2021.

OUT-OF-PROVINCE STUDENTS

- Upload a copy of your most up-to-date report card or transcript.
- When you graduate, arrange to have your final, official transcript of marks sent directly to USask via postal mail by the appropriate authority, such as your provincial Ministry of Education.

IF YOU HAVE EVER TAKEN CLASSES OR COMPLETED A PROGRAM AT ANOTHER COLLEGE OR UNIVERSITY:

- Upload a copy of your most recent transcript showing marks for all classes you have completed.
- Arrange to have a final, official transcript mailed or couriered directly to USask by the institution(s) you attended.

IF PROOF OF ENGLISH LANGUAGE PROFICIENCY IS REQUIRED:

- Arrange for English proficiency test scores to be sent directly to USask by the testing organization.

6

ACCEPT YOUR OFFER OF ADMISSION

If you receive an offer of admission, accept your offer online to officially become a USask student.

Non-direct entry programs

The following programs require previous post-secondary study.

Dentistry

DOCTOR OF DENTAL MEDICINE

- Bachelor of Science in Dentistry
- International Dental Degree Program

Law

JURIS DOCTOR

- French Common Law Option

JURIS DOCTOR AND BACHELOR OF ARTS COMBINED DEGREE

JURIS DOCTOR AND BACHELOR OF COMMERCE COMBINED DEGREE

JURIS DOCTOR AND MASTER OF BUSINESS ADMINISTRATION COMBINED DEGREE

Medicine

DOCTOR OF MEDICINE

- Certificate in Global Health

Nursing

BACHELOR OF SCIENCE IN NURSING

- Post-degree Bachelor of Science in Nursing

Nutrition

BACHELOR OF SCIENCE IN NUTRITION

Pharmacy

DOCTOR OF PHARMACY

Physical Therapy

MASTER OF PHYSICAL THERAPY

Veterinary Medicine

DOCTOR OF VETERINARY MEDICINE

- Certificate in One Health

St. Thomas More

St. Thomas More College (STM) is a Catholic liberal arts college federated with USask and located on its main campus in Saskatoon. STM offers over 250 Arts and Science classes in which all USask students are welcome to enrol, whether as part of their Arts and Science degree or as electives complementing their degrees from other USask colleges. The college offers smaller class-sizes, award-winning faculty and many course options in the areas of social justice, as well as community service learning options. STM also offers the following unique Arts and Science programs:

- Philosophy
- Minor in Critical Perspectives on Social Justice and the Common Good
- Minor in Ukrainian Studies
- Certificate in Catholic Studies
- Certificate in Jewish and Christian Origins

- Physics
 - Astronomy
 - Plasma, Space and Atmospheric Physics
 - Professional Internship Option
 - Material Science
 - Nuclear Physics
 - Theoretical Physics
- Psychology
- Statistics
- Toxicology

BACHELOR OF SCIENCE (BIOMEDICAL SCIENCE)

Visit **ADMISSIONS.USASK.CA** for more information about all undergraduate programs at the University of Saskatchewan.

UNIVERSITY OF
SASKATCHEWAN

Learn where you live

If you live in Saskatchewan, you may choose to learn where you live and complete a few classes or your entire degree at a campus outside of Saskatoon or at one of our off-campus sites.

The University of Saskatchewan (USask) has partnered with Saskatchewan education institutions for over 40 years to provide students with opportunities to study and learn close to home.

In 2020, USask was proud to open the new USask Prince Albert Campus, bringing USask programs in Prince Albert together and providing opportunities for everyone in our university community to reach their goals closer to home.

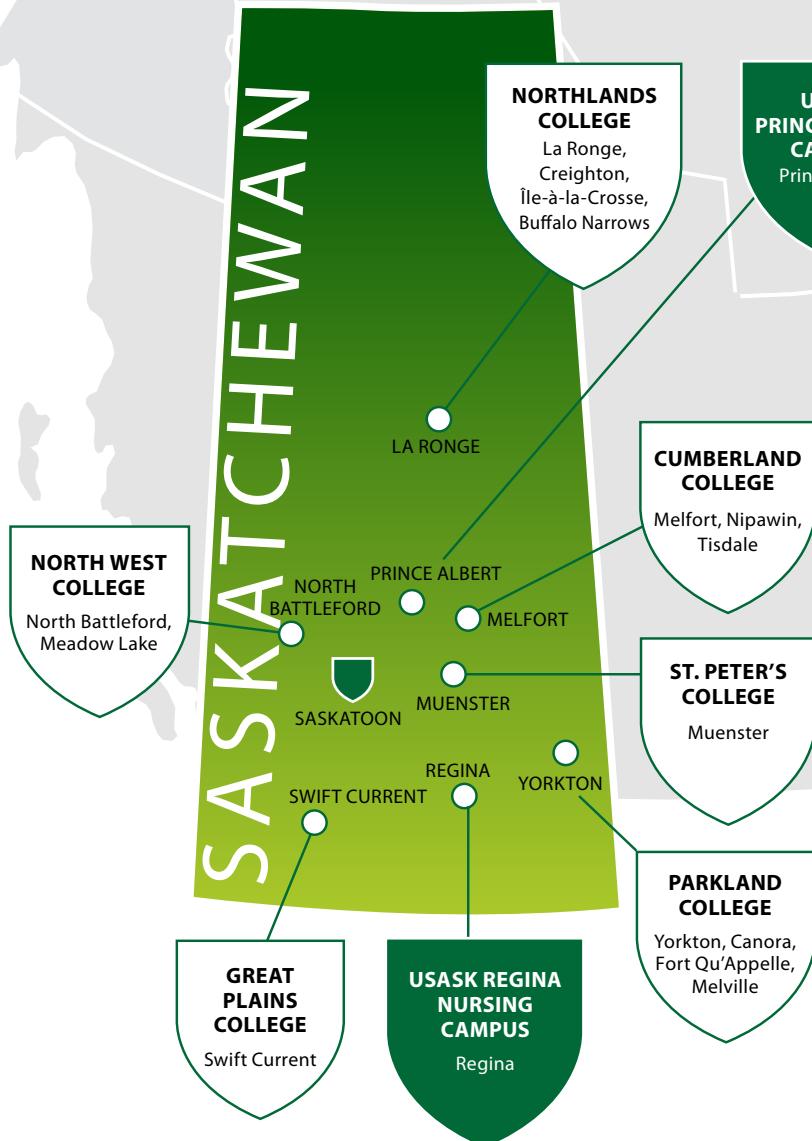

Today, approximately 1,500 USask students study at USask campuses and off-campus sites outside of Saskatoon

through face-to-face, online, independent study and live-streamed classes.

You can begin your USask program and, in some cases, complete a degree without leaving your home community. This flexibility will allow you greater balance with family, work and other life commitments. Smaller class sizes with more student/teacher interaction, program and career counselling, essay writing support, tutorials and course-focused group discussions are available at all locations.

Located in the heart of Prince Albert, the campus brings together USask's educational programming previously taking place at sites across the city. Students can start—and in some cases, complete—degrees in the Colleges of Agriculture and Bioresources, Arts and Science, Education, Kinesiology and Nursing, and the Edwards School of Business. Students will also be able to complete one year of study toward meeting the entry requirements of programs such as dentistry, medicine, nutrition, pharmacy, physical therapy and veterinary medicine.

SUPPORT *for students*

Starting university is one of the biggest transitions you will make in life. At the University of Saskatchewan (USask) we have supports in place to help you through this transition and your university career.

ABORIGINAL STUDENTS' CENTRE

Staff at the Aboriginal Students' Centre (ASC) are committed to supporting the personal and academic success of Métis, First Nations and Inuit students. The ASC creates an inclusive community through personal, social, cultural and academic programs and services held throughout the academic year.

ACCESS AND EQUITY SERVICES

Access and Equity Services is guided by Saskatchewan's Human Rights legislation and the duty to accommodate individuals based on a medical or learning disability, religion, family status (including pregnancy) or gender identity. Services include exam/academic accommodations, notetaking, classroom changes, alternate format textbooks, assistive technology and academic strategy.

CHILD CARE AND COMMUNITY

USask operates three child-care centres and offers convenient breastfeeding locations for nursing mothers. In addition, Parents on Campus is a community group focused on providing support, advocacy and events for USask families.

INTERNATIONAL STUDENT AND STUDY ABROAD CENTRE

Through the International Student and Study Abroad Centre, you can meet students from around the world, learn about opportunities to study abroad or access services for international students.

LEARNING COMMUNITIES

Learn to adapt more quickly to university and benefit from the mentorship of successful upper-year students by registering in a Learning Community (LC) in your college. Registration for LCs in several colleges opens in early May.

In an LC, you will get to know a small group of other new students who are taking some of the same courses as you—courses that you share an interest in, or courses that are part of your degree requirements. Participating in a LC is one of the best ways for you to take charge of your learning and to develop skills to help you succeed in this new academic environment. It is also a great opportunity to make new friends!

STUDENT LEARNING SERVICES

Student Learning Services (SLS) helps students make the most out of their academic experience at USask. SLS offers workshops, online resources and tutors to help students with writing, studying, math and statistics.

STUDENT WELLNESS CENTRE

The Student Wellness Centre offers urgent and non-urgent physical and mental health care to USask students and their spouses and children.

THERAPY DOGS

St. John Ambulance therapy dogs visit campus frequently to help students de-stress. Petting a dog can increase levels of the stress-reducing hormone oxytocin and decrease the production of the stress hormone cortisol.

USSU CENTRES

The University of Saskatchewan Students' Union (USSU) operates a number of centres for enhancing the student experience. These centres include the Women's Centre, Pride Centre, Help Centre and Food Centre. The USSU centres are open to all students, and provide resources, support and services in a warm, positive atmosphere.

Fund Your Education

SCHOLARSHIPS AND AWARDS

Guaranteed Entrance Scholarships

You will automatically be considered for a Guaranteed Entrance Scholarship when you apply for admission. These scholarships recognize your academic achievements and are awarded based on your admission average.

95% OR GREATER	\$3,000
93% TO 94.9%	\$2,000
90% TO 92.9%	\$1,000
85% TO 89.9%	\$500

If you apply for admission during your Grade 12 year, your average will be calculated twice—once at the time of admission and again following your graduation. Your scholarship amount will be based on your **highest average**.

Best and Brightest Entrance Scholarships

VALUE:	UP TO \$40,000
APPLY FOR ADMISSION BY:	DEC 1
APPLY FOR AWARDS BY:	DEC 15

Best and Brightest Entrance Scholarships include USask's highest valued, renewable entrance scholarships and are awarded based on academics, leadership and contributions to school and community life. These scholarships require the submission of a separate awards application after you apply for admission.

Circle of Honour Awards

Five of USask's Best and Brightest Entrance Scholarships are designated for Indigenous students. These scholarships range in value from \$24,000 to \$40,000 over four years and are awarded to recognize academic excellence and community engagement.

At the University of Saskatchewan, entering students are eligible to receive a Guaranteed Entrance Scholarship in addition to a Best and Brightest Entrance Scholarship or Competitive Entrance Award.

Competitive Entrance Awards

VALUE:	\$500 – \$32,000
APPLY FOR ADMISSION BY:	FEB 15
APPLY FOR AWARDS BY:	MAR 1

Competitive Entrance Awards include numerous scholarships and bursaries that can be accessed by many students with diverse experiences. Applicants can be considered based on academic achievement, financial need and/or contributions to school and community life, and some awards recognize particular backgrounds, acknowledge contributions to certain clubs and/or reward achievement in music and athletics. All entering students are encouraged to apply.

"The Guaranteed Entrance Scholarship gave me motivation to pursue post-secondary education and created a greater sense of belonging. It affirmed that the University of Saskatchewan is where I am supposed to be."

Plan Your Finances

TUITION

Tuition for most undergraduate programs at USask is calculated by adding up the cost of each individual class in which you enrol. For many programs, there is a wide range of classes from which you can choose, giving you a great deal of flexibility in terms of your schedule and budget.

Student fees are used to fund specific student benefits offered as part of your university education. These include fees to support athletics and recreation programs, student services, health and dental plans, your students' union and the U-Pass Universal Transit Pass that allows you unlimited travel during the school year with Saskatoon Transit.

These estimates reflect the average tuition you could expect to pay per year if you enroll in a full course load (the maximum number of courses allowed).

	COLLEGE	CANADIAN STUDENTS	INTERNATIONAL STUDENTS
TUITION*	Agriculture and Bioresources	\$6,613	\$18,053
	Arts and Science	\$6,755	\$18,441
	Education	\$6,810	\$18,591
	Edwards School of Business	\$7,775	\$21,226
	Engineering	\$8,755	\$23,901
	Kinesiology	\$6,672	\$18,215
STUDENT FEES*		\$947	\$947
TEXTBOOKS AND SUPPLIES**		\$1,000-\$2,000	\$1,000-\$2,000

*2020-2021 tuition and student fee estimates for undergraduate students enrolled full-time at the main Saskatoon campus over Fall and Winter Terms (September–April) are represented. International undergraduate tuition rates are assessed at 2.73 times the rate for Canadian citizens and permanent residents.

** Expected textbook costs and required supplies vary widely from program to program, and this estimate is meant only as a guideline for budgeting purposes.

RESIDENCE

Living in Residence offers many benefits to students, including many amenities you may otherwise have to pay for separately if living off-campus. These include convenient meal plans, laundry, internet and utilities like electricity and water.

	RESIDENCE COMPLEX	RATE PER PERSON, SEPTEMBER-APRIL
VOYAGEUR PLACE	Double unit	\$9,240
	Single unit	\$10,250
COLLEGE QUARTER	Three- or four-bedroom	\$6,792
	Two-bedroom	\$7,816
	One-bedroom	\$8,832
	Studio unit	\$7,448
SEAGER WHEELER	One bedroom in a six-bedroom unit	\$4,056

2020-2021 rental rates (8 month term) are represented.

TUITION	
STUDENT FEES	\$947
TEXTBOOKS AND SUPPLIES	\$1,000-\$2,000
RESIDENCE	
USASK EXPENSE ESTIMATE	\$

Admission Requirements

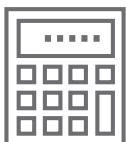

1

GRADUATION FROM HIGH SCHOOL

If you are still completing high school, you can be considered for admission if you show that you will meet the requirements for your chosen program.

2

ADMISSION AVERAGE

For high school students or graduates, an admission average is calculated using marks for five acceptable Grade 12 (senior-level) subjects:

- ONE Mathematics
- ONE English
- THREE other acceptable Grade 12 (senior-level) subjects from the following:
 - Maximum of TWO natural sciences
 - Maximum of TWO social sciences or humanities
 - Maximum of ONE fine or performing art

ROLLING ADMISSION

Applications are considered throughout the admissions cycle and admission is offered on a first-qualified, first-accepted basis until seats are filled.

TRANSFER

Please consult admissions.usask.ca for more information about applying to transfer to the University of Saskatchewan.

SPECIAL ADMISSION AND UNIVERSITY TRANSITION

If you do not meet regular admission requirements, you may be considered for special (mature) admission or special consideration, or offered the opportunity to enroll in the Arts and Science Transition Program. Visit admissions.usask.ca for more information.

SUBJECTS REQUIRED FOR YOUR COLLEGE/PROGRAM

In addition to meeting the admission average requirement, you must also meet prerequisite subject requirements for your college or program:

	DEGREE OR DIPLOMA	REQUIRED GRADE 12 SENIOR-LEVEL SUBJECTS	
AGRICULTURE AND BIORESOURCES	▪ Bachelor of Science in Animal Bioscience	▪ Biology ▪ Chemistry ▪ Mathematics	No deficiencies are allowed.
	▪ Bachelor of Science in Agriculture ▪ Bachelor of Science in Renewable Resource Management ▪ Diploma in Agronomy	▪ Biology ▪ Chemistry ▪ Mathematics	Applicants may be admitted with one subject deficiency that must be cleared before the second year of study.
	▪ Bachelor of Science in Agribusiness ▪ Diploma in Agribusiness	▪ Biology or Chemistry or Physics ▪ Mathematics	
ARTS AND SCIENCE	▪ Bachelor of Arts ▪ Bachelor of Arts and Science ▪ Bachelor of Fine Arts ▪ Bachelor of Music ▪ Bachelor of Music – Music Education ▪ Bachelor of Science	▪ Mathematics	Applicants may be admitted with a mathematics deficiency but are encouraged to consult with the college upon admission to plan how to clear the deficiency.
	▪ Bachelor of Science (Biomedical Science)	▪ Biology ▪ Chemistry ▪ Mathematics	A minimum grade of 70% is required in each of these courses. Deficiencies are not allowed in the Biomedical Science program.
EDUCATION	▪ Bachelor of Education	▪ Biology or Chemistry or Physics or Geology ▪ History or Social Studies or Native Studies ▪ Language (other than English) or Fine or Performing Art ▪ Mathematics	An applicant is permitted to be deficient in up to two of these subject areas. If admitted, students must clear any deficiencies before entering the second year of study.
	▪ Combined Bachelor of Science in Kinesiology/Bachelor of Education	▪ Biology ▪ Chemistry or Physics ▪ Mathematics	Deficiencies are not allowed in the combined program.
EDWARDS SCHOOL OF BUSINESS	▪ Bachelor of Commerce	▪ Mathematics	Applicants may be admitted with a mathematics deficiency. If admitted, students must clear the deficiency before entering the second year of study (effective 2021-22).
ENGINEERING	▪ Bachelor of Science in Engineering	▪ Chemistry ▪ Physics ▪ Pre-Calculus Mathematics	A minimum grade of 70% is required in each of these courses.
KINESIOLOGY	▪ Bachelor of Science in Kinesiology	▪ Biology ▪ Chemistry or Physics ▪ Mathematics	

While not required for admission, in order to study some university-level courses, you are required to have completed certain high school classes. For example:

- to study university-level biology, chemistry or physics, the Grade 12 (senior-level) course of the same subject is required.
- to study university-level calculus, Grade 12 (senior-level) pre-calculus or a university-level pre-calculus class is required.

Visit admissions.usask.ca for province-specific subject requirements.

- Arts and Science

SPRING AND SUMMER CLASSES

Many new students elect to begin their studies early by choosing to take classes during the spring or summer. Spring and summer students enjoy flexible class options lasting a couple of weeks to a couple months, and choose to start early for a number of reasons, including:

- getting a head start on your degree program,
- focusing on a tough class you want to get out of the way, or
- completing a prerequisite class you need to move forward in your degree.

Interested? Choose the 2021 Spring Term (May–June) or 2021 Summer Term (July–August) when applying for admission. To learn more visit summer.usask.ca or contact our friendly staff at admissions@usask.ca.
