

ALUMNI ASSOCIATION

OSMANIA UNIVERSITY
HYDERABAD

(AIOU)

ALUMNI ASSOCIATION

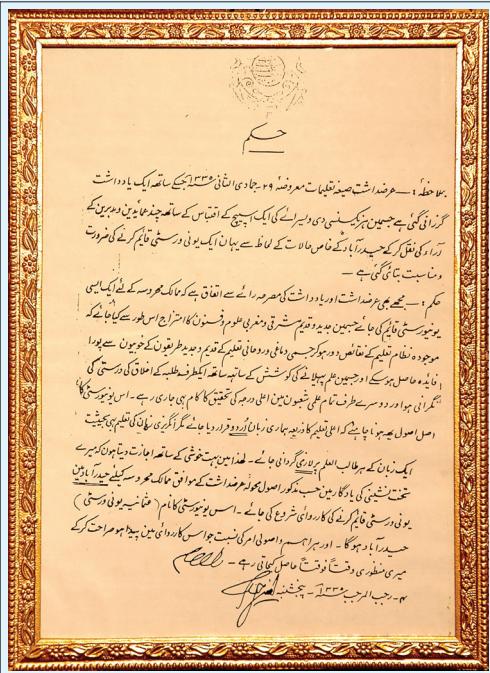

Reaccredited by 'NAAC' with 'A' Grade

Committed to Academic Excellence and Social Empowerment

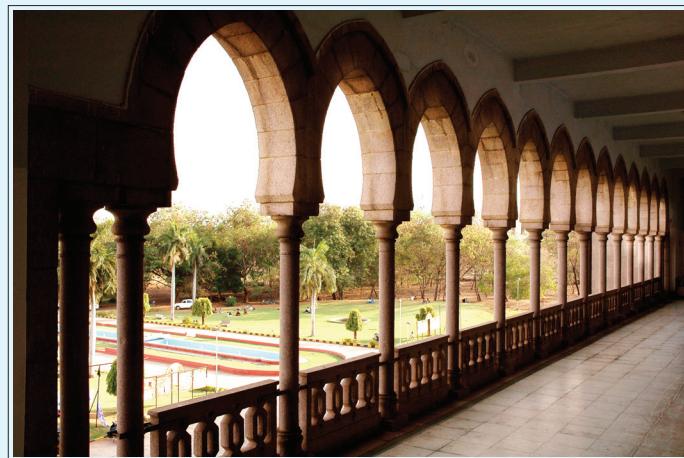

VISION

The University has a vision of developing, enhancing, and improving the quality of human resources to meet the challenges of regional, national and global socio-economic changes. It's mission is to achieve excellence in teaching and research and to create opportunities for the students to contribute to the national and regional development.

PREAMBLE

Established in 1918 by a Firman issued by the 7th Nizam of Hyderabad, Mir Osman Ali Khan, Osmania University is the 7th oldest in the country. Its' campus spread over 1300 acres of land – lined with trees, and well laid lawns offers a serene and congenial atmosphere for the students to pursue their programs of studies in various fields. The pride of the campus, Arts College, a fine specimen of Indo Islamic Architecture has recently received a Heritage award given by INTACH.

ACADEMIC STRUCTURE

Osmania University has the distinction of being the largest affiliating University in the country with nearly 1000 affiliated colleges. It has 13 constituent colleges, 11 faculties and 52 departments. The University caters to the educational needs of about 2.5 lakh students by offering 25 UG courses, 31 PG courses besides offering research programs such as M.Phil. and Ph.D. programmes. In addition, 31 Diploma courses are also offered. Prof. G. Ram Reddy Centre for Distance Education offers 30 courses to about 67,000 students.

ACHIEVEMENTS

Osmania University has the distinction of being the first university in the Andhra Pradesh to be accredited by NAAC with highest rating of 5 stars. Two constituent colleges of the University are recognized by the University Grants Commission as the colleges with potential for excellence. Thirty Three Departments of the University receive special assistance such as UGC-DRS, UGC-CAS, UGC-COSIST, ASSISH and DST, FIST etc.

RESEARCH PURSUITS

On the research front too, the University has been performing exceedingly well. For instance during the past 5 years about 1112 Ph.Ds and 250 M.Phil degrees have been awarded. About 190 Research Projects have been completed in various departments and nearly 270 projects are under completion. The faculty of the university is constantly engaged in research and publication, having published 1735 articles and 191 books during the last five years.

NEW INITIATIVES

Central Facilities Building :

The state-of-the-art building with student centric facilities like competitive examination library, reading rooms, e-classrooms, computer labs, language labs, English language training cell, personality development cell, placement lounge, conference room, auditorium, stores and cafeteria is completed, and getting ready for 24/7 use by students.

Osmania University Centre for International Programs (OUCIP)

OUCIP is established as a hub for all university programs of international support and relevance, and is being developed into an advanced research centre in Arts and Humanities.

Centre of Excellence in Microwave Engineering (CEME)

CEME is established in the University College of Engineering with funding from Astra Micro Electronics Ltd., for advanced research in microwave technology and training manpower.

Alumni – The Pride of Osmania University

Alumni of Osmania University have distinguished themselves at the national and international levels. They have spread far and wide globally and made their Alma Mater proud by excelling themselves as academicians, administrators, politicians, scientists, scholars, entrepreneurs, sports persons, technocrats etc; Several of them have reached heights of excellence in their respective fields and are significantly contributing to the socio-economic development of the nation and world at large.

Bonding with Alma Mater

The very mention of alumni brings before us the glorious past and distinctiveness of our University – that we are old, large and big. It conjures up vivid memories of yester years, the nostalgia and rich heritage and traditions of the past, which shaped our University.

Institutionalizing Alumni linkage

Over the years, we have crossed several milestones, made significant contributions in the advancement of knowledge and kept pace with the changing times and needs of the new generations. We have transitioned from a traditional University and are now surging ahead to become a pace setter in the field of higher education with an international outlook and a global outreach. Alumni are a part of these processes of continuity & change, tradition & modernity and a lot more. The University seeks to institutionalize these bonds between alumni and alma mater through an Association into a life long relationship.

Alumni Association - a Registered Body

Osmania University has always considered its alumni as a source of strength, support and sustenance in its endeavors of scholarship, innovation and institution building in higher education. The Alumni Association of Osmania University has been formed in order to fulfill the long felt need for a forum and the cherished desires of its alumni. It has been duly registered as a society to activate its functioning. The Alumni association was formally inaugurated by one of its distinguished alumni, Union Minister for Urban affairs Mr. S. Jaipal Reddy, on 29th April 2006.

Vision of Alumni Association

Alumni Association envisages itself as a partner in the progress of the University. This Association unfolds before the Alumni, a series of opportunities to serve this great University and lends cooperation in full measure in its success and sustenance. Some of the schemes proposed by the association are :

1. Alumni educational Fund for paying Scholarship to poor & meritorious P.G. Students in the name of the donor.
2. Institution of Endowment Chairs in the name of the donor.
3. Institution of Endowment Lectures in the name of the donor.
4. Support your Department Scheme in the name of a group of people for installing critical equipment, costly Journals etc. in the name of the donor (s).
