THE CHANCELLOR

VICE CHANCELLOR

DR. HUKAM CHAND BANSAL

DR. ARVINDER SINGH CHAWLA

I am immensely pleased to welcome you to RIMT University.

This is a significant time for the institution, a time of transition in the institution at various levels. Transitions, however, have a wonderful quality about them in that they provide opportunities for reflection, recalibration, and renewal. Personally, I am excited to lead RIMT at this rare moment in time. Equally exciting are the series of events and initiatives for which the institution has been actively preparing.

I am glad to inform you that many new programmes are being launched. Our international partnerships are growing, both, in scale and scope.
In this climate of transition, one conviction that remains immutable is our singular focus on offering the most exceptional learning environment and transformative set of experiences to students. Our efforts to deepen a global mindset in our students continue with fervour in a many ways. We are committed to preparing future citizen-leaders who will have the character and the capacity to meet expectations and community requirements.

I hope you will explore the wide array of academic programmes. We offer with the exceptional calibre of the faculty who will be guiding your academic journey in RIMT. You will find an intellectually challenging environment where your mentors support your efforts to meet the high standards of the classroom par excellence. A variety of co-curricular and extracurricular activities would explore your leadership skills in many forms.

Much of success is about becoming the best representation of yourself – RIMT with you in this endeavour. I hope you will make an informed decision and choose RIMT University as your academic destination.

With best wishes for a bright future!

Dr. Hukam Chand Bansal

Chancellor

It gives me immense pleasure to invite you all to RIMT University, Mandi Gobindgarh. We aim at providing global education, carry out global research, and provide global learning platforms to students in all the programs across all schools. RIMT University is a platform for students to discover themselves. Our University is dedicated to the discovery, development, dissemination and application of knowledge in the chosen fields with a mission to expand the scale and scope of human understanding and thereby contributing to the betterment of the world. All programs offered by the various schools of universities have "Industrial Practice" and Industry Internship Programs as an in-built component where students will be exposed to the real world.

Welcome to the home where leaders are made.

Regards and Best Wishes

Dr. Arvinder Singh Chawla

Vice Chancellor

Welcome to RIMT University

Education For Life

Since the establishment of RIMT, our gifted, skilled and innovative faculty share their knowledge and pave the way for providing solutions to complex issues impacting our tomorrow. We believe game-changing discoveries depend on bringing the right people together in an environment that gives them room to innovate. Education for Life is in our DNA and we pursue all future endeavours with the same spirit, always and every time.

Our Vision & Mission

Our Vision is to impart quality education and producing society worthy individuals in addition to providing a productive work culture and conducive environment, matched by unparalleled infrastructure and an insatiable urge to excel. Our mission is to create extraordinary learning experience for our students.

Genesis

Evolving from the foresight of Shri Om Parkash Bansal Educational and Social Welfare Trust in 1998, RIMT University has embraced innovation and challenged the status quo. An entrepreneurial perspective encourages students, staff and faculty to challenge conventions, lead discovery and explore new ways of learning. Bold thinking is given a place to develop into ideas that can change the world.

History

Driven by a strong inclination to assign futuristic parameters to given standards of education of today, RIMT carries forward its illustrious history since inception in 1998. Continuing on its path of growth, RIMT experienced the greatest period of momentum in its history while adding a new institution every year from 2001 to 2015. This legacy continues with RIMT Universtiy which was established by Govt. of Punjab vide Punjab Act, No. 31 of 2015 & under section 2(f) of the UGC.

Sincerity

It's a commitment to sincerely follow the path of incessant growth of the organization, its people and the ones enrolled as students. RIMT is all about sincerity in its approach towards offering global education. This is how RIMT has stood apart in the tests of time and global norms.

Honesty

Taken in its literal terms as 'the best policy' for growth, RIMT enjoys 'honesty' as one of its major attributes. From imparting global education to offering most ideal facilities to all for a global learning environment and carving the ideal chain of perfectionists, RIMT offers it all.

Quality

It's a mandatory feature for an organization to step up its prestige in the global arena. RIMT imbibes quality as an integral part of its system that takes education beyond books and classrooms. This is the reason why RIMTians do well in respective arenas worldwide.

Distinction

We are one of the most preferred choices in the education field as we enjoy distinct values. Distinction being the prime feature of our set up, we provide education with an edge.

Integrity

We act in accordance with the highest moral and ethical standards personally, professionally, and academically. We dedicate ourselves to honesty, sincerity, accountability, and truth. We continuously endeavour to earn the trust placed in us by our students and alumni.

Creativity

We discover and develop new ideas, programmes, and processes that are both innovative and imaginative. We create unique formats for lifelong learning that meet the evolving needs of our students. Our students have managed to do well across all spheres of life.

Working Environment

We build close, cooperative working relationships within and among individual departments, with our campus partners, and with the local and global communities we serve. We help students, instructors, and staff, define and attain their personal, professional, and academic goals. We provide exceptional access and support for those we serve.

Community

We demonstrate a high degree of proficiency, knowledge, commitment, and expertise in all that we do. We create and nurture a close-knit organizational culture that is diverse, connected to the communities we serve, marked by both a sense of purpose and a sense of joy.

Campus Facilities

RIMT's world class infrastructure includes well-equipped labs in tune with the needs of the curriculum and potential employers, as also latest technology developments. RIMT's workshops are integral part of technical education because these are the places where students actually apply the theoretical knowledge gained in classrooms.

RIMT's Knowledge Centre enhances teaching and learning via, diverse and user oriented information services and resources. The centre is a pillar and is a new age approach to managing print, digital, audio-visual material, from all over the world, as well as student project reports and other research project, all in a seamless manner.

RIMT university has a fleet of 120 buses providing transport facility to the students of Patiala, Ludhiana, Chandigarh, Mohali, Panchkula, Ambala, Khanna, Sirhind, Mandi Gobindgarh, Samrala, Malerkotla, Fatehgarh Sahib, Nabha, Doraha, Mandi Ahmedgarh, Rara Sahib, Payal, Morinda, Sahnewal, Bija, Samana, Bhawanigarh Etc.

We understand that most of the students moving away from home feel out of place; hence we strive to make the transition as smooth as possible by offering comfortable and safe stay in the campus. The University offers separate hostels for boys and girls supervised 24X7 by wardens and vigilant security personnel. Life-on-campus not only helps students to study but to socialize with their peers.

RIMT has many cafeterias and also a multi cuisine food court to cater to the varied taste of students and to provide diverse food items in a hygienic environment.

Focus on the Advanced fundamentals of modern library administration covering classification, cataloguing, Database types and functions, Resource management tools and strategies.

Rimt's provides facilities for various stretching, floor and body-building exercises at its multiple gyms.

Hostel Life

Life at par with home

The RIMT campus is recognised as one of the most beautiful and dynamic places and is virtually a city within a city. The hostel residents sit at the base of greens, miles away in serenity yet close to civilisation. There are ample spaces for living and learning.

RIMT is dedicated to ensuring that all students enjoy high standard on-campus accommodation throughout their stay at the university. They may choose between dormitory-style or apartment accommodations.

Rimt provides on-campus accomodation at par with home. All rooms are fully furnished; include utilities, Wi-Fi internet connection and meals which are prepared in house by a chef, with snacks available between meals. The usual dining schedule from Monday to Saturday comprises full breakfast, lunch and dinner, while Sundays greet students with continental breakfast, brunch and dinner. Bathrooms are shared, and paid laundry facilities are available. Students get a study desk and chair, chest of drawers, wardrobe, wash basin, and more.

There are also adapted rooms in the halls for students with disabilities. Students also have access to computer labs, fitness centers, and swimming pools. Recycling facilities and bicycle tracks are provided throughout the campus. Roommates may come from all over. Often, students live with students whose native language is different. Because getting to know new people is a valuable part of the RIMT culture, as also the best way to expand one's RIMT community and overall experience. The accommodation service provides the best possible service and welcome any comments or suggestions students may have.

HEALTHY FOOD

The kitchens at RIMT serve nutritious food throughout the year to students. Hygiene and cleanliness within the premises is assured so that the students have a healthy environment to have their meals.

STAY ACTIVE

RIMT provides sports and games facilities in various disciplines of which most are centralized and some at the hostels.

REFRESHING LIFE

Nature garlands the RIMT campus with its full glory. Beautiful display of colours lining trees and pathways offer a quintessential and fresh experience to students, faculty and visitors.

LIVE THE MOMENT

Hostel life at RIMT is care-free, flamboyant, fun-filled and liberal. Life dances on the finger-tunes of students as they are free birds.

Fest & Events

Cheering life and partaking in the joys, all fests and events at the RIMT campus welcome students to a grand celebration of culture, faith, diversity, friendship and success.

These create an unparalleled forum for students comprising all elements of experiential learning, testing their intellectual and artistic prowess. Simultaneously this open avenues for sharing mutual experience, skills and talent to reach their collective and individual aspirations, in the field of art, culture and literature on a common platform. This helps in developing professional skills like leadership, team work, business acumen, resource generation & management, there byconverting ideas to events and their implementation.

Fashion Show

A major highlight of RIMT is fashion shows. Every time, spectacular student designs wow packed audiences as bewitching designs come down the runway.

SPORTS

This includes physical fitness, mental and physical agility, team spirit, discipline and drive required to work towards a goal, in above all the abilities to recharge and have some fun. That's where the extensive sports facilities fit in; students are encouraged to pursue excellence in their chosen sports, providing them with the infrastructure and guidance to excel. Competitive sports are organized at all levels in many disciplines.

After all, sport is the key to a lively spirit and compensates for efforts in everyday student life. Besides encouraging students to engage in more physical exercise, they promote communication amongst students and teachers.

Yoga & Exercise
Yoga lets students work out and have fun too. The muscle toning benefits of yoga has them covered in a fun, high-energy and safe atmosphere. The programme is designed to work.

Athletics
At RIMT, a state-of-the-art facility provides students all the advantages needed to maximise athletic performance.

Indoor Games
The common room at RIMT is a big area which witnesses students playing indoor games during their class breaks and after dinner time. Facility for lot of indoor games is available.

Basket Ball Court
The RIMT basketball center is a comprehensive and state-of-the-art basketball practice facility, with an outdoor, concrete, all weather surface court and training area for student players.

Cricket & Other Sports
The rimt cricket infrastructure includes a cricket ground with natural turf pitches and floodlit synthetic cricket practice pitches. It provides a picturesque setting for any cricket enthusiast.

Swimming Pool
The Rimt Aquatics Centre, hosts Water Polo, Swimming and Aquatic Club Sport Events. The Centre has separate Locker Rooms for men and women, in addition to permanent seating for spectators.

Shooting Range
RIMT boasts of a state-of the art world class indoor shooting range. It facilities Air Rifle and Air Pistol, fully automated systems for the bull eye.

Sports facilities at RIMT

Education at RIMT isn't confined to the programmes a student selects; the endeavour is to aid in the overall development of every student.

Being a residential campus, it is important that there is a wide variety of sports facilities to keep students engaged and physically fit. They are provided adequate and equal opportunity to blend sports and fitness into their personal growth and development.

Industrial Visits

Industrial visits are considered as the most practical method of teaching. The main reason behind this is, it lets students to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view.

The visit also provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures.

With an aim to go beyond academics, these visits are arranged to develop the insights of the students –Attaining practical knowledge and their theoretical applications thereof.

RIMT takes a group of students for a guided tour into the premises of various industries, providing them information about the background of the companies and their current position in the global business scenario. The aim of such visit is to expose them to practical working environment, make students aware with industry practices, increase practical awareness of various industrial sectors and acquaint students with interesting facts and breath-taking technologies.

Industrial/sectoral visit is a part of the curriculum in professional programmes at RIMT, during which students visit companies and get insight in the internal working environment of a company.

Literary Activities

RIMT University believes that literature is a practical discipline and involves reading of poems, stories, plays, novels, and essays, thinking about them, discussing them, and writing about them, all cultivating important abilities that make it an indispensable part of university education.

Literary activities pay dividends far beyond the practical ones resulting from increased verbal ability. It is the provider of many other important intellectual gifts. Reading literature increases students' knowledge in an active, intellectually challenging way that other more passive activities, such as watching television cannot do. A thorough grounding in literature automatically provides knowledge of the literary heritage while at the same time increasing awareness of cultural values, history, sociology, psychology, and almost every branch of human knowledge. Literary activities expand the capacity to sympathize with other human beings, enhance ability to see and imagine human complexity, and broaden the intellectual horizons of students by enlarging power to experience life vicariously. It develops skills for discerning aesthetic principles and deepens abilities to take pleasure in the written word. Literary activities preserve and stimulate the imagination of students at RIMT.

The literary activities at RIMIT have been envisioned as a forum for students to discuss and pursue their literary interests freely.

Professional Placement Plan

Credited towards a RIMT degree, PPP offers a work placement for certian minimum days per week for certain minimum days per week for a few weeks during semester or an equivalent number of hours over the summer vacation programs. Enrollment into the program or unit of study is selective and only those students who successfully proceed through the selection process are considered for placements.

Job Harmonized Learning

Job Harmonized Learning (JHL) is an integral part of the overall learning experience for students. Under the supervision of a qualified practitioners and suitably experienced supervisors, students seek to apply theoretical and evidence based knowledge, skills and attributes developed in academic study, and build on these through interaction with clients and professional practitioners.

Industry Exposure

Pur students are required to undergo a mandatory academic internships. This ensures that every students has spent enough time working in industry even before graduation. Students work with seasoned professionals in collaborative environment on projects that can help them learn new industries, new skills, and develop additional networking contracts - with the goal of getting hands-on experience to help transition into a new role after graduations.
Since the education system in India does not yield industry ready professionals, the main challenge today therefore, is not to make graduates employable but also ensure that there are more industry ready professionals for better productivity & innovation. This not only helps groom professionals to meet the growing manpower requirements of the industry but exposes students to real corporate environments and work opportunities. Rigorous training is provided with focus on overall career and personality development, enabling them to become future-redy professionals. Our programs provides students with structured industrial training in select industries, offered by experienced trainers for relevant industry exposure, followed by placements in specified industries.
